### MRS. PANKHURST ADOPTS "WAR BABIES"

"War babies" adopted by Mrs. Pankhurst.

Mrs. Emmeline Pankhurst, aside from her activities in the cause of equal suffrage, loves children more than anything else. She has adopted four babies made orphans by the war.

### UNITED BROTHERS TO CELEBRATE OCCASION

#### Tomorrow 27th Anniversary of Founding Church in Salem

The 27th anniversary of the founding of the United Brethren church of Salem will be celebrated at the church Tuesday evening of this week. Among those now living in the city and who were present at the organization of the church, April 25, 1889, are Mrs. Fred Stump, Mrs. Olive England Enright and Mrs. A. E. Dinsmore. The first informal meeting for the organization of the Unitarian church in Salem were held in 1888 and continued until the spring of 1889. On April 25th of that year, the church was regularly organized and incorporated under the laws of Oregon, under the name of "The First Unitarian church of Salem." The Rev. H. H. Brown was the first regular pastor. The cornerstone of the present church was laid on July 14, 1891, with impressive ceremonies by the officers of the Grand Lodge of Masons, according to the ritual of that order. The address was delivered by Rev. H. H. Brown. Final dedication of the church was in January 1892, with the sermon by the Rev. T. L. Elliot of Portland. The evening services of the day were in charge of the Rev. W. E. Copeland of Tacoma. About 15 years ago the mortgage was burned, freeing the church from debt. The present pastor of the church is the Rev. Richard F. Fischer.

### Company M Marksmen Qualify On Range

Among the Company M marksmen who went to the target range at Finzer yesterday were some good marksmen according to the scores which were returned. The high score of the season was made yesterday by Sergeant Banta, who scored 211 out of a possible 225. The score of 210 qualifies the shooters for expert marksmen out of a possible 220, thus bringing Banta's 211 score among the top notchers in the state. The following scores were reported: Holman, 161; McAllister, 157; Jeffrey, 150; McGilchrist, 160; Wilders, 160; Norton, 174; Nizer, 158; Gary, 150; Crowsaw, 154; Plant, 155; Moore, 174.

City Recorder Elgin this morning fined Fred Brown \$5 upon the latter's plea of guilty to a charge of being intoxicated. Roy Vance, who was arrested Saturday on a charge of disorderly conduct, forfeited \$10 bail.

The Oregon nine would not appear due to the fact that they had not had sufficient practice to play. Oregon evidently feared that they would lose and so cancelled the game.

Despite the fact the mute school nine came in and played the "Bear Cats" and carried home a goose egg while the score keeper had not finished counting the "Bear Cat" score. Tomorrow afternoon the biggest game of the season will be played, when the University of Washington will romp about Sweetland field. Coach Mathews' warriors are expecting a hard battle as Washington has the record of beating O. A. C. Saturday last by a 3-2 score. If the locals get started off right and no halloo is near for them to go up in, they should play the northern team a close game, for the "Bear Cats" have remedied their recent failings by playing in season and thus errors have been eliminated. The games will be called at 3:30 tomorrow afternoon.

Dr. Richard Avison addressed the students at chapel this morning on the subject of "Thought," showing how thought controlled the actions of the individual, and consequently it should be judiciously controlled. The talk was very interesting and much appreciated by the students.

Wesley Hammond, science pedagogical proportions this morning and taught the class in industrial chemistry, a course given by Prof. Von Eschen. The subject under discussion was the manufacture of steel. The course is a valuable one as a great deal of information is gained on various industries.

### ATTORNEY GENERAL HOLDS THE PAPERS

#### Bernstorff Said To Be Implicated by Documents—Is a Grave Matter

Washington, April 24.—Attorney General Gregory today advised the state department against returning to Ambassador Von Bernstorff of Germany documents seized from Wolf Von Igel, who claims to be connected with the Kaiser's embassy, when he was arrested in New York in connection with the photo. Gregory, however, offered to subordinate his recommendation to any "larger question." The state department is admittedly viewing the situation with added seriousness. Gregory indicated that diplomats were involved. It was reported that Bernstorff's name was frequently mentioned in the Igel letters. Gregory offered to surrender the papers, which are considered the most valuable evidence in the alleged bomb plots yet obtained, but he is understood to be opposed to being hampered in using them. Officials of the department of justice say the case has passed from their hands. They expect to be asked for the papers when Bernstorff returns to Washington.

### Pratum News Notes

(Capital Journal Special Service.) Pratum, Ore., April 24.—Mrs. George Anderson and daughter, Ruth, of Salem, are visiting relatives in this community. Miss Anna Roth spent the week-end with the home folks. Mr. Walter Bentler, of Florida, is visiting with his parents, who reside east of this city. Mrs. C. Stenback entertained relatives at her home south of this city last week. Miss Ella and Mr. Elbert Powell school teachers at Brook, spent the week-end at home. Miss Blanche Corner visited with relatives at Turner the first of last week. Mrs. Oscar Meyer was a victim of a surprise party last Tuesday afternoon. A pleasant afternoon was enjoyed by all present. The Ladies' Aid society of the Methodist church met last Wednesday afternoon with Mrs. Ed Eisenbach. Miss Alicia Welty attended the convention at Dallas last Sunday. Miss Linda Lelay, who attended college at Corvallis, is home on a short vacation. Mrs. Frank Goble and daughter, Jean, left for Willamina last Wednesday. Mr. Goble is employed at that place. Mr. Edward Leisy, of Portland, spent the week-end with his parents, who reside north of this city. Miss Mary Harper, of east of this city, is on the sick list. Her sister, Mrs. Clifford Jones, of Turner, is staying with her for a few days. Mr. Albert Jang and family, of Central Howell, attended the literary meet-

Crater Lake—Gem of the Oregon country, is hailed far and wide as one of the most attractive spots in the state. It well merits its fame and so does The Price Shoe company, whose shoe store in Salem attracts all who appreciate real shoe quality at prices that please the purse. Our main floor is devoted to high grade shoes exclusively.

### WILLAMETTE NOTES

Prof. Florian Von Eschen will deliver the seventh number of the faculty lecture course in the chapel of Willamette hall tonight at 8 o'clock. The title of his lecture is "The Soils of Oregon."

and chemistry and in that time has studied carefully the geology of Oregon. He has analyzed samples of soils from all sections of the state and his lectures will be particularly interesting to those who are considering the idea of choosing country homes, as he will give the essentials of a good soil and tell what it is best suited to be used for. The professor is well acquainted with a great many of the rural sections of

the state as it is his custom to make a trip to some part of the state each summer to study the geologic and mineral composition of the country. This lecture is open to everyone and the public should take advantage of the opportunity to hear an interesting lecture on a popular subject.

The Y. M. C. A. banquet held in the basement of the First M. E. church Saturday evening was a big success. About 50 men were present, also seven representatives from other college Y's throughout the state. A three course dinner was served following which Toastmaster Howard Jewett took charge of the after-dinner ceremonies and introduced the speakers with his customary witty remarks.

Walter Glaiser, retiring president, gave a toast of welcome to the visitors and expressed his wishes for the future of the Y. M. as a retiring officer. Gals Seaman, the chief speaker of the evening, told of the wide scope of work which the Y. M. covered and outlined several plans which the local chapter might adopt in increasing its value. Other speakers were: Mr. Reed, of Pacific university; Mr. Grandahl, of Reed college; Mr. Joe Bell, of University of Oregon; Mr. F. Folles, of Albany college; Mr. Kilpatrick, of Philomath college; and Mr. Walter Dinn, of Oregon university. These men were the recently elected presidents of the Y. organizations in their respective colleges. Charles Randall, the newly elected president at Willamette and his staff were installed into office following the banquet; and then for a half hour, plans for the biggest northwest student conference at Sea Beck, Wash., this summer, were discussed.

On the following day Mr. Seaman and Dr. Doney addressed the meeting of the Y. M. in the parlor of the First M. E. church. The annual prohibition declaratory contest held in the chapel last Saturday evening resulted in Miss Mabel Boughey winning the first prize, a silver medal. Mr. Lewis Stewart was awarded second place and Leslie Bailey third. Dr. Doney presided as chairman of the meeting and presented the medal to the successful orator, Miss Boughey.

Willamette was deprived of welcoming the University of Oregon baseball team last Saturday on the local diamond by receiving a telegram at the last moment from Eugene stating that

### For Sale By Public Auction

Wednesday  
April 26,  
1916, at  
1:30 P. M.

The above house is a 4-room modern Bungalow, nearly new, lot 45x150, located at 1425 Fir street, which is 2 blocks west of S.
